MEMBERS BENIFITS and ACTIVITIES

Social members are entitled to members prices at the bar and on meals on Barefoot Bowls nights and free hire of bowls on Barefoot Bowls nights. Tuition and coaching can be arranged for anyone interested. Special members prices for ABC run functions such Greenkeepers Ball and other social occasions. The Alphington Bowls Club also runs a social competetion on the 4th Sunday of each month called Turkey Triples. Teams of three compete in a friendly game, no uniform is required and loan bowls can be arranged. It's a great way to dip you toe onto the green! You might even win the chook!

The ABC is a community club and we rely on our members, full and social, to help run things smoothly. We always need help from members whether it's running a raffle on a Friday night, assisting with the bbq Friday night, helping at a working bee or coming up with new ways to make our club bigger and better. Please tick the box below if you think you can lend us a hand, our club is run by volenteers!
